Acknowledgments

I would like to thank everyone for sharing this special night with me. It brings me the greatest joy possible to be able to share the music I love and celebrate my time at Loyola. Special thanks go to all Loyola faculty for sharing their wisdom with me over the years, especially Adam Bock for always encouraging me and pushing me to be my best. I would not be here without my parents and family who have been supporting my musical life from the start. Thank you to my wonderful girlfriend Rose LaBay for always believing in and supporting me.
